SPOKEN ENGLISH

Do you want me to + (verb) To want is to let or have a desire for. When saying 'Do you want me to...' you're asking someone if there is anything you can do for them or assist them with.

You could have + (past participle) Using 'could have' you are speaking about something that was, should be or would be. You are stating that they had other options that could have been chosen.

If I were you, I would + (verb) Here you are giving an example of what decision YOU would do given the circumstances. This can be in past tense or in a conditional present.

Are you into + (noun) Here you are asking a question about an interest they might have or something they might enjoy doing.

That's why + (subject + verb) 'That's' is short for 'that is'. Here you are telling someone 'because of this' or 'therefore'.

It's gonna be + (adjective) You're informing someone what something is going to be like. This could be something you are going to do, see or feel.

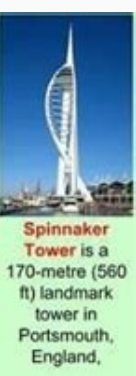

It looks like + (noun) You could be describing how something is similar or appears to be by the way it looks.

It takes + (time) + to + (verb) You are letting someone know how long it will take to do a particular thing.

Here's to + (noun) Here's to is used in a way of celebrating or identifying a person, place, or thing of significance. It is usually said while toasting someone at dinner, or signaling to someone or something after an event.

It's no use + (verb-ing) 'It's no use' is an expression used when suggesting you might have heard something or read about something that is taking place now or in the future. A rumor is not a fact.

Rumor has it that + (subject + verb) 'Rumor has it' is an expression used when suggesting you might have heard something or read about something that is taking place now or in the future. A rumor is not a fact.
